Hi Leila, apologies for this tardy response...but the short answer is, I am still uncertain about the 5th. As I mentioned, we are holding our Labor and Management PAC annual conference that day, and I think there was also some uncertainty about the Secretary's own travel schedule that day in terms of an afternoon departure. When we last spoke, this past Friday, you also had floated the idea of possibly getting the Secretary back late on Tuesday the 6th, paving the way for an appearance on the morning of the 7th, Wednesday, but I am guessing that is likely off the table. Let's see if we can jump on the phone later today if possible. Thanks, Jim
